Your Next Adventure Starts at the Library

Looking for fun ways to get your kids outside? We’ve recently expanded our selection of Nature Adventure Packs, thanks to a donation by The Friends of the Rappahannock.

Each backpack is filled with tools for exploring the outdoors, including books, field guides and activities for children of all ages. Themes include rocks, wetlands, forests and rivers. The packs can be used anywhere from a child’s backyard to a national park.

Jennifer Schultz, Fauquier County Public Library Youth Services Librarian, accepted the packs on behalf of the library. “We are grateful that FOR has been able to expand our selection of nature packs. And with our close proximity to Sky Meadows and Shenandoah parks, there are many fantastic places to use the packs nearby,” said Schultz.
